FOR IMMEDIATE RELEASE

MWW DESIGNS INC. LAUNCHES REVAMPED WEBSITE

Introduces official blog, new services, and Web 2.0 features

Chicago, IL- February 13, 2009- MWW Designs Inc, a top Chicago graphic design company, unveiled their newly revamped website today, www.mwwdesigns.com.

The updated site features a more user friendly design and allows customers to find the information they need without having to pick up the phone. New features also include a jump into Web 2.0 with the introduction of an official blog, Twitter page, and Facebook page. The company plans to release a YouTube channel and other networking sites to stay connected with potential customers in the coming months. The website also allows customers to see the array of services and features that MWW Designs offers, including its unique streamlined ordering system.

“Our company slogan is "No Set Style", meaning that we are willing to take on any kind of project being corporate, trendy, or urban. We work with a variety of clients ranging from businesses to musicians. Some design companies are known for their style because their products are always similar. We like to have our hands in everything, that way the customer doesn't have to compare us with other companies,” said Andrew Regalado, President of MWW Designs Inc.
